## **Direct Doors**.com<sup>®</sup>

You can rest assured that all of our Internal French Doors are manufactured to meet our consistently high standards and our wide range of styles should provide you with a door to suit your needs. Internal french doors will add a degree of versatility to your home as they can be closed off to conceal a room or opened up to create a larger, open plan area. If you are considering this style of door throughout your home you can also visit our [french door](#) or [external french door](#) sections.

We appreciate how important it is to have a stylish interior within your home. Your visitors will complement you on your interior French doors and only you will know how reasonable a price you paid for them! We are confident that our internal French doors should help add value to your property.

Any interior French doors that are deemed “bespoke, made to measure” will be made to meet your specifications and therefore such orders cannot be refunded if cancelled by the customer.

If you require any further information regarding our interior french doors please contact us at [info@directdoors.com](mailto:info@directdoors.com) or on 01968 671 681. We are here to help!
